Physiology 335 <i>or</i> 435		NSWL	5	
Statistics 301 <i>or</i> 371		MQR	3	
Communication A		CL	3	
Social Sciences			3	
Ethnic Studies			3	
Humanities course I			3	
Humanities course II			3	
Total of 72 credits				

- Must have been enrolled as an undergraduate student at UW–Madison (minimum of 30 credits)
- Must **not** have completed an undergraduate degree
- Must be admitted to the PharmD program and have successfully completed the first year of the PharmD program
- Must have completed the [University and School of Pharmacy BS requirements](#). Talk with a pre-pharmacy advisor for more information about how these requirements can overlap with the PharmD prerequisite requirements.
 - Course designations highlighted in yellow are required for the BSPS
 - In addition, a **Communication B course** is required for the BSPS
 - Many students take Biology 152 as part of the PharmD prerequisites which also fulfills the CommB requirement for the BSPS*
